

EXTENDED DAY PROGRAM – COST OVERVIEW FOR FAMILIES

Our Extended Day Program is designed to support working families by providing Before Care, After Care, or Combo Care (both before and after school). We offer flexibility in scheduling, allowing families to choose from 1-5 days a week, morning care, after care, and combo.

The Fall term is billed in five equal monthly installments, and pricing is based on the number of school days, hours of care, and frequency of attendance. While the Fall term was 15 weeks (78 school days), the Spring term will be 20 weeks (approximately 104 school days). This means Spring costs will be proportionally higher—about 33% more than Fall, assuming the same hourly rates. The spring term is billed in six equal monthly installments, and pricing is based on the number of school days, hours of care, and frequency of attendance.
